

## Release of Liability for Parental Transportation

Academic School Year: 2018-19

Dear Parents and/or Guardians:

We welcome you to Charlotte County Public Schools as you have entrusted us to educate you son and/or daughter that attends Port Charlotte High School. Your son and/or daughter may participate in extracurricular activities to include athletics, academic clubs functions, intramural sporting events, and/or any other after-school activities. With your child's participation with extracurricular school activities, this will cause for travel for your son and/or daughter. Transportation will be provided for most of the sporting contests and/or school activities.

However, parents and/or guardians are permitted to drive and/or pick up their own child or children only with a 24 hour notification signature sheet. All parents and/or guardians are responsible only for their son and/or daughter related to transportation purposes. Additionally, parents and/or guardians are not allowed to transport another parents' and/or guardians' child(ren) to and from athletic contests and school activities.

Educationally yours,

Bob Bruglio
